

# Good Samaritan Award

On behalf of the Nurture and Outreach Committee, we wish to honor

## Phyllis Starkey

with the **Good Samaritan Award**

First Quarter - 2016

Phyllis has been a faithful member of the church her whole life. She played the piano and accompanied our choir for many years. She still participates in our Bell Choir.

She has many musical talents! Phyllis is an active member of United Methodist Women and served as past secretary. She bakes and prepares meals for many events and funerals. She helped out our Community Meal program in the past by opening the church for the Food Rescue truck. Phyllis attends nearly every function our church offers and can be counted on to serve and support it always.

In our community, Phyllis volunteers at the Baby Pantry and with the Mancelona Historical Society. She has always supported the band program and athletic events.

One of her strengths is being a quiet and humble servant. She serves with a true giving heart and does it without needing or desiring reward.

Phyllis is a reverent person with a deep respect for our sanctuary and worship service.

Thank you, Phyllis for being a Good Samaritan!

---

Pastor Todd Shafer, Mancelona United Methodist Church
