

Mission Sunday - October 22
Mission Committee Announces Fourth Sunday Mission

Team Leader, Brenda Lockman

We have since scheduled Vicki Ulrich who is the Community Resource Coordinator for Antrim/Charlevoix/Emmet County DHHS. She will be here to talk about what they do for children in those counties.

Substance abuse has infiltrated the very fabric of our communities. Unfortunately we have homeless children in our county. Most of them say they are “couch surfing”, but some are truly homeless. The only way to build a strong caring, prosperous community is to raise happy, healthy, well-grounded children. The only way that we can have happy, healthy, well-grounded children is to have them raised in loving, caring homes. Substance abuse is tearing families apart. Children of all ages are the victims of domestic violence and unsafe, unstable homes. DHHS, along with other community partners is fighting hard to address these issues head on. It really does take a village to raise a child.

At the end of the service we will take a love offering to be sent to DHHS. This money will stay in Antrim County and 100% will be used for these children here in our own county.
