

## **Mancelona Labyrinth of Hope Spruce Up-Day is Coming!**

It is almost one year ago that our church built and dedicated the Mancelona Labyrinth of Hope at Cran Park! We held community activities and led individuals on walks when requested. Many of you have enjoyed walking the labyrinth on your own and sharing your experience with others. Thank you!

A spruce-up day will be held on Tuesday, May 16 at 11:00 am followed by a free pizza lunch! We will be weeding, spreading new bark chips to replenish the pathways, and planting flowers for the year. A BIG THANK-YOU to the Village of Mancelona for providing the bark chips.

Many hands make light work. So, please consider joining us! We plan to be done by noon then enjoy lunch together. Look for the sign-up sheet in the Fellowship Hall or let Cindy McCulloch or Ellen Whitehead know you can help.

If you haven't experienced the labyrinth, we encourage you to do so! It can be peaceful, inspiring, calming, joyful, a personal time to reflect or problem solve, and spend quiet time with God. There are many benefits to walking the labyrinth! Pick up a copy of the brochure also available in the Fellowship Hall.

Please join us on May 16!
